This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, as amended from time to time. The law defines "material facts" to mean "any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has not been prepared or issued by the Real Estate Commission or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project; (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed; and (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report or any of the documents submitted with Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent changes, or both, occur regarding the information contained in or omitted from this report. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the Effective Date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project, though a purchaser may have rights to cancel or rescind a sales contract under particular circumstances that may arise.

SPECIAL ATTENTION

[Use this page for special or significant matters which should be brought to the purchaser's attention and that are not covered elsewhere in this report.]

This is a CONDOMINIUM PROJECT, not a subdivision. It does not involve the sale of individual subdivided lots. The land area beneath and immediately appurtenant to each unit is designated a LIMITED COMMON ELEMENT and is not a legally subdivided lot. The dotted lines on the Condominium Map bounding the designated number of square feet in each limited common element land area are for illustrative purposes only and should not be construed to be the property lines of legally subdivided lots.

1. This public report does not constitute approval of the Project by the Real Estate Commission, or any other governmental agency, nor does it ensure that all applicable County codes, ordinances and subdivision requirements have been complied with.

2. Facilities and improvements normally associated with County approved subdivisions, such as fire protection devices, County street lighting, electricity, upgraded water facilities, improved access for owner and emergency traffic, drainage facilities, etc., may not necessarily be provided for, and services such as County street maintenance and trash collection will not be available for interior roads and driveways.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

General Information On Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants and guests.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may hire and fire employees, increase or decrease maintenance fees, adopt budgets for revenues, expenses and reserves and regulate the use, maintenance, repair and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely at first that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), the Declaration, Bylaws and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.</p>
<p>Exhibit ____ contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses.</p>

Status of Construction: Buildings were completed in 1928
Completion Deadline: If a sales contract for a unit is signed before the construction of the unit has been completed, or, in the case of a conversion, completion of any repairs, does not occur by the completion deadline set forth below, one of the remedies available to a purchaser is a cancellation of the purchaser's sales contract. The sales contract may include a right of the Developer to extend the completion deadline for force majeure as defined in the sales contract. The sales contract may also provide additional remedies for the purchaser.
Completion Deadline for any unit not yet constructed, as set forth in the sales contract:
Completion Deadline for any repairs required for a unit being converted, as set forth in the sales contract: No repairs required.

5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

The Developer is required to deposit all moneys paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if Developer has met certain requirements, which are described below.

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

<input checked="" type="checkbox"/>	The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project. If the box to the left is checked, Sections 5.6.2 and 5.7, which follow below, will not be applicable to the project.
-------------------------------------	---

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):	
<input type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person; or
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

<p>Box A</p> <p><input checked="" type="checkbox"/></p>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><u>Important Notice Regarding Your Deposits:</u> Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
<p>Box B</p> <p><input type="checkbox"/></p>	<p>The Developer has <u>not</u> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, thus, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <u>Important Notice Regarding Your Deposits</u> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <u>Important Notice Regarding Your Deposits</u> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. 5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the developer will not become binding on a purchaser or the Developer until the following events have taken place:

(1) The purchaser has signed the sales contract.

(2) The Developer has delivered to the purchaser a true copy of the developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration and Bylaws, House Rules (if any), the Condominium Map and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.

(3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.

(4) The purchaser does at least one of the following:

(a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or

- (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
- (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline, and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications and reservations including, without limitation, the merger or addition or phasing of a project, made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

6. MISCELLANEOUS INFORMATION NOT COVERED ELSEWHERE IN THIS REPORT

DISCLOSURE REGARDING SELECTION OF REAL ESTATE BROKER

The Developer plans to sell the apartments in the project, but is not prepared to make any current offerings of sale.

When the Developer begins selling or offers to sell, the developer will use a real estate broker for the sale of an apartment, prior to entering into a binding contract for such sale. The Developer shall (1) submit to the Real Estate Commission a duly executed copy of a broker listing agreement with a Hawaii-licensed real estate broker, together with a duly executed disclosure abstract identifying the designated broker, and (2) provide a copy of the disclosure abstract to the purchaser together with a copy of this public report.

HAZARDOUS MATERIALS

The developer neither prepared nor commissioned a Phase 1 Environmental Site Assessment and makes no representations or warranties whatsoever. The developer has made no independent investigation as to asbestos or other hazardous substances in the apartments or in, under or around the Project; including but not limited to, radioactive materials, organic compounds known as polychlorinated biphenyls, chemicals known to cause cancer or reproductive toxicity, pollutants, contaminants, hazardous wastes, toxic substances, and any and all other substances or materials defined as or included in the definition of "hazardous substances", "hazardous wastes", "hazardous materials" or "toxic substances" under, or for the purposes of, hazardous materials laws. Buyer acknowledges that in light of the age of the Project, there may be asbestos and other hazardous substances in the apartments, or in, under or around the Project. Because of the possible presence of such substances, Buyer should have the apartment inspected to determine the extent (if any) of such contamination and any necessary remedial action. The developer will not correct any defects in the apartments or in the Project or anything installed or contained therein and Buyer expressly releases the developer from any liability to Buyer if any hazardous materials are discovered.

LEAD WARNING STATEMENT

Pursuant to federal law, 42, U.S.C. 4852(d), the Residential Lead-Based Paint Reduction Act, "Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to purchase."

The Developer declares subject to the penalties set forth in Section 514B-69, HRS, that this project conforms to the existing underlying county zoning for the project, zoning and building ordinances and codes and all applicable permitting requirements adopted by the county in which the project is located, all in accordance with Sections 514B-5 and 32(a)(13), HRS.

For any conversion, if any variances have been granted, they are specified in Section 1.14 of this report, and, if purchaser deposits are to be used by the Developer to cure any violations of zoning, permitting requirements or rules of the county in which the project is located, the violation is specified in Section 1.15 of this report, along with the requirements to cure any violation, and Section 5.5 specifies the date by which the cure will be completed.

The Developer hereby certifies that all the information contained in this report and the exhibits attached to this report and all documents to be furnished by the Developer to purchasers concerning the project have been reviewed by the Developer and are, to the best of the Developer's knowledge, information and belief, true, correct and complete. The Developer hereby agrees promptly to amend this report to report and include either or all material facts, material or pertinent changes to any information contained in or omitted from this report and to file annually a report to update the material contained in this report at least 30 days prior to the anniversary date of the effective date of this report.

Dear Mr. Wong:

Re: Condominium Conversion
94-1268 Peke Place
Tax Map Key: 9-4-009: 200

This is in response to your letter dated August 15, 2005, requesting verification that the structures located at the above-referenced property met all applicable code requirements at the time of construction.

Investigation revealed that the one-story single-family detached dwelling with basement and the one-story single-family detached dwelling with four (4) all-weather-surface off-street parking spaces met all applicable code requirements when they were constructed in 1928 on this 11,369 square-foot R-5 Residential zoned lot.

No variances or other permits were granted to allow deviations from any applicable codes.

For your information, the Department of Planning and Permitting cannot determine all legal nonconforming uses or structures, as a result of the adoption or amendment of any ordinance or code.

Conversion to a condominium property regime (CPR) is not recognized by the City and County as an approved subdivision. CPR delineates ownership; it does not create separate lots of record for subdivision and zoning purposes.

SALES CONTRACT/SUMMARY OF PERTINENT PROVISIONS

CLOSING COSTS; EXPENSES OF SALE. Purchaser further agrees to pay, at the time of pre-closing, Purchaser's notary fees, all recording fees, cost of credit report, cost of preparing note(s) and mortgage(s), if any, loan finance fees, the cost of any required title insurance and one-half (1/2) of the escrow fee. Seller shall pay for the cost of preparing the deed, conveyance tax, evidence of title, Seller's notary fees, and one-half (1/2) of the escrow fee.

MODIFICATION OF DOCUMENTS. Seller reserves the right to modify the Declaration and By-Laws as may be required by law, any title insurance company or any institutional mortgagee, provided that no such modification shall:

- (a) Increase Purchaser's share of the common expenses;
- (b) Increase the cost of the property covered under the Sales Contract;
- (c) Require a substantial physical change of the building in which the Apartment is situated;
- (d) Reduce the obligations of Seller for common expenses on unsold apartments; or
- (e) Substantially impair or modify any of the obligations given or undertaken by Seller.

ACCEPTANCE OF APARTMENT; BUILDING NOT NEW; NO WARRANTIES. Purchaser accepts the Apartment in an "as is" condition. Purchaser further acknowledges that Purchaser has had an opportunity to inspect the Apartment and common elements and that the purchase price takes into consideration the fact that the Apartment is approximately 78 years old, and fixtures and appliances are not new. **SELLER MAKES NO WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE APARTMENT, COMMON ELEMENTS, APPLIANCES, FURNISHINGS OR OTHER PRODUCTS, OR ANYTHING INSTALLED IN OR UPON THE PREMISES OR USED IN CONNECTION WITH THE PROJECT IN ANY MANNER, INCLUDING BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY, HABITABILITY, WORKMANLIKE CONSTRUCTION OR FITNESS FOR A PARTICULAR PURPOSE OR USE.**

INTEREST ON DEPOSITS. Purchaser and Seller agree that any interest payable on monies deposited with Escrow Agent shall belong to and be payable to Seller.

BINDING AGREEMENT. If this is a cash purchase, the Sales Contract is subject to the Purchaser delivering proof of ability to pay as provided in **Paragraph G.2** of the Sales Contract within forty-five (45) calendar days of acceptance of the Sales Contract by Seller. If the Purchaser is obtaining financing for a portion of the purchase price, the Purchaser must deliver to Seller a firm commitment in an amount and form approved by Seller from a bank, savings and loan association, insurance company or other institutional lender within forty-five (45) calendar days of acceptance of the Sales Contract by Seller. In the event the requirements of this paragraph are not met, the Sales Contract shall be null and void, all deposits shall be returned to Purchaser, less costs, and neither party shall have any obligations to the other. Seller and Purchaser may extend the forty-five (45) calendar day period only in writing by mutual agreement.

The Sales Contract will be binding and effective when the Final Public Report is delivered to Purchaser and Purchaser signs a receipt and notice for the Report and waives his or her right to cancel the Sales Contract; provided however, that if Purchaser does not execute and return the receipt and notice within thirty (30) days from the date of delivery of the Report, or if the apartment is conveyed to Purchaser prior to the expiration of such thirty-day period, the Purchaser shall be deemed to have receipted for the Report and waived his or her right to cancel.

Purchaser shall have the right to cancel the Sales Contract at any time prior to the earlier of (1) the conveyance of the apartment to Purchaser or (2) midnight of the thirtieth (30th) day following the date of delivery of the Final Public Report to Purchaser unless Purchaser waives his or her right to cancel in writing prior to such time. Should Purchaser cancel the Sales Contract within such time, the amounts paid by Purchaser under the Sales Contract will be returned to Purchaser and thereupon all rights and liabilities of Purchaser under the Sales Contract shall cease and terminate. Upon expiration of the time upon which Purchaser may cancel, the Sales Contract shall be binding upon Purchaser.

SELLER'S REMEDIES. If Purchaser shall default in any payment when required, or fail to perform any other obligation required of Purchaser under the Sales Contract including the obligations of Purchaser under **Paragraph G.6** of the Sales Contract, and Seller shall notify Purchaser in writing of such default and such default shall not be cured within five (5) calendar days after receipt of such notice, the Sales Contract may, at Seller's option be terminated by written notice to Purchaser and all sums paid by Purchaser under the Sales Contract shall belong absolutely to Seller as liquidated damages, or at Seller's option, Seller may pursue any other remedy in law or equity for specific performance or for damages or otherwise, and all costs, including reasonable attorney's fees, incurred by reason of default by Purchaser shall be borne by Purchaser.

(vii) Construction Costs. To pay for construction costs of the buildings and other improvements and fixtures (or in the case of a conversion, for repairs necessary to cure violations of county zoning and building ordinances and codes) in such amounts and at such times and in proportion to the valuation of the work completed by the contractor in accordance with the terms of the construction contract, as certified by a licensed architect or engineer and as approved by Seller's lender or a qualified, financially disinterested person who shall be designated in writing by Seller and Seller's lender, if any, and who shall certify to Escrow in writing that such person is financially disinterested (and Escrow shall have the right to rely on said certification).

(viii) Fees and Other Expenses. To persons for architectural, engineering, finance and legal fees and other incidental expenses of the Project (but not selling expenses or brokerage fees relating to sales of any unit) to the extent approved by Seller's lender or said financially disinterested person.

(d) The balance of monies remaining in escrow shall be disbursed in accordance with the directions of Seller and Seller's lender or said

financially disinterested person only upon completion of the buildings of the Project (or in the case of a conversion, upon completion of the necessary repairs) and when Escrow has received satisfactory evidence that all mechanics' and materialmen's liens have been cleared or sufficient funds have been set aside to cover claims if liens have been filed; otherwise forty-six (46) days after the filing of the affidavit of publication of notice of completion in the office of the clerk of the circuit court where the Project is located, a copy of which shall have been delivered to Escrow; provided, further that if any notice of mechanics' or materialmen's liens shall have been filed, the funds shall be disbursed only when such liens have been cleared or sufficient funds have been set aside to cover such claims.

(f) Seller's Waiver. Seller shall have given Escrow a written waiver of any option reserved in any sales contract to cancel such sales contract.

Return of Purchaser's Funds and Documents.

(a) Cancellation or Rescission of a Sales Contract. Unless otherwise provided in this Agreement, a purchaser shall be entitled to a return of such purchaser's funds and Escrow shall pay such funds to such purchaser, together with any interest which may have accrued to the credit of such purchaser, if any one of the following has occurred:

(ii) Seller shall have notified Escrow of Seller's exercise of the option to cancel or rescind the sales contract pursuant to any right of cancellation or rescission provided therein or otherwise available to Seller; or

(iii) The purchaser shall have notified Escrow of purchaser's exercise of purchaser's right to cancel the sales contract pursuant to HRS §514B-86 (thirty-day right to cancel), or, if applicable, HRS §514B-89 (failure to complete construction before specified completion deadline); or

(iv) The purchaser shall have notified Escrow of purchaser's exercise of purchaser's right to rescind the sales contract pursuant to HRS §514B-87, by a valid rescission signed by all purchasers of the affected unit and postmarked no later than midnight of the thirtieth calendar day after the date that the purchasers received the notice of rescission from Seller, in which case the purchasers shall be entitled to a prompt and full refund of any moneys paid.

In any of the foregoing events, Escrow shall, upon the occurrence of the event described in sections 6(a)(i) or 6(a)(ii) above or upon receipt of a written request for a refund from the purchaser upon the occurrence of an event described in sections 6(a)(iii) or 6(a)(iv) above, unless the purchaser has waived or has been deemed to have waived the right to a refund, pay said funds to the purchaser (less a cancellation fee commensurate with the work done by Escrow prior to such cancellation, up to a maximum of \$250.00); provided, however, that no refund shall be made to a purchaser at the purchaser's request prior to receipt by Seller of written notice from Escrow of Escrow's intent to make such refund and the purchaser shall not be required to pay a cancellation fee to Escrow for any rescission pursuant to HRS §514B-87.

Seller understands and acknowledges that in the event of a rescission by the purchaser under HRS §514B-87: (A) if interest was accruing to the credit of Seller, interest will be reported to the IRS as being earned by Seller; (B) if Seller required the purchaser to secure a financing commitment, the purchaser shall be entitled to reimbursement from Seller (and not from Escrow) of any fees incurred by the purchaser in securing that financing commitment required by Seller; and (C) Seller shall pay to Escrow a fee commensurate with the work done by Escrow prior to such cancellation, up to a maximum of \$250.00.

(b) Refund Upon Failure to Obtain Financing by Owner-Occupant. If a prospective Owner-Occupant has not obtained adequate financing, or a commitment for adequate financing, by a date specified in the sales contract, the sales contract may be canceled by either Seller or the purchaser. Upon a written request from either Seller or purchaser, Escrow shall return purchaser's funds, without interest, and less an escrow

cancellation fee commensurate with the work done by Escrow prior to such rescission, up to a maximum of \$250.00.

Purchaser's Default. Seller shall give notice in writing to Escrow of the occurrence of each event that initiates an obligation of a purchaser to make a payment to Escrow pursuant to the sales contract as well as notice of the amount and due date of such payment. If the purchaser fails to make such payment to Escrow on or before the due date thereof or if the purchaser fails to perform in any matter that is being handled by Escrow, Escrow shall promptly notify Seller of any such failure on the part of the purchaser. If Seller subsequently certifies in writing to Escrow that Seller has terminated the sales contract in accordance with the terms thereof and provides to Escrow copies of all such notices of termination sent to the purchaser, Escrow shall thereafter treat all funds of the purchaser paid on account of such purchaser's sales contract as funds of Seller and not as funds of the purchaser. Thereafter, such funds shall be free of the escrow established by this Agreement and shall be held by Escrow for the account of Seller. Upon written request by Seller, Escrow shall pay such funds to Seller, less any escrow cancellation fee. Escrow shall thereupon be released from any further duties or liability hereunder with respect to such funds and such purchaser.

Re: Condominium Project at 94-1268 Peke Place
Waipahu, Hawaii 96797

Gentlemen,

We have reviewed the plans and have inspected the building located at 94-1268 Peke Place, Waipahu Hawaii 96797, which is part of the Peke Manor condominium project. Building A and B are approximately 78 years old. The present condition of the structural components material to the use and enjoyment of the condominium is satisfactory. There are no mechanical installations materials to the use and enjoyment of the improvements.

You have Constante Ulep of Ulep Electric inspect the electrical installations material to the use and enjoyment of the condominium and upon inspection of those electrical installations which are capable of visual inspection without removing walls or making other alterations of the buildings, and judging from the inspection of readily accessible electrical installations, Constante Ulep, by letter dated, July 12, 2006, has stated that the present condition of the electrical installations material to the use and enjoyment of the improvements are satisfactory. Based solely on Constante Ulep letter, and without independent investigation on our part, we state that the present condition of electrical installations material to the use and enjoyment of improvements are satisfactory.

Sincerely,
